**Information about box requests:** All requests must be made in person at the Archives' Research Hall. A limit of five boxes may be ordered at one time. If a box has a restricted access condition the researcher will be required to apply for access and will not be able to view the requested records right away. For more information about access restrictions, see our web site: [toronto.ca/archives/reference.htm#request](http://toronto.ca/archives/reference.htm#request).

---
